

## **Salem-Gold-Marble-Tumbled**

This is the Tumbled finish of the famous Salem Gold Marble (also known as Jerusalem Gold Marble) has a warm blend of beige & gold colours with distinctive fossils and veining. The tumbling process allows the tile to look aged and enhances the beauty and the character within the stone. Jerusalem stone is suitable for both indoor and outdoor projects, it has also been tiled around pools. We now have a limited offer on Reclaimed Salem Jerusalem Gold Marble from a renovated 18th Century Roman Style Villa. To discuss and ask for a sample please speak to one of our sales team. Please give us a call to discuss your stone tile flooring and walling projects. We can suggest the best stone tiles to fit to your bathroom, kitchen, hall, living room, conservatory, garden or patio for modern building decorations or period building renovations. We can arrange delivery of your orders from our warehouse in Rainham Essex (next to London) to anywhere in England, Wales and Scotland as well as continental Europe.
